

## Contents

### Volume 25, Numbers 1 and 2, March/June 1995

- 1 The biology of elephant-shrews: introduction  
*M. Perrin*
- 3 Fossil Macroscelidea  
*P.M. Butler*
- 15 A cladistic look at classification within the subfamily Macroscelidinae based upon morphology  
*G.B. Corbett*
- 19 Comparative ecology of two elephant-shrew species in a Kenyan coastal forest  
*Clare D. FitzGibbon*
- 31 Arthropod parasites of elephant-shrews, with particular reference to ticks  
*L.J. Fourie, J.S. du Toit, D.J. Kok and I.G. Horak*
- 39 The Round-eared Elephant-shrew *Macroscelides proboscideus* (Macroscelidea) as an omnivore  
*Graham I.H. Kerley*
- 45 The biology of *Elephantulus brachyrhynchus* in natural *miombo* woodland in Tanzania  
*H. Leirs, R. Verhagen, W. Verheyen and M.R. Perrin*
- 51 The ecology and reproduction of the Short-snouted Elephant-shrew *Elephantulus brachyrhynchus*, in Zimbabwe with a review of the reproductive ecology of the genus *Elephantulus*  
*B.R. Neal*
- 61 Comparative aspects of the metabolism and thermal biology of elephant-shrews (Macroscelidea)  
*M.R. Perrin*
- 79 Conservation issues and strategies for elephant-shrews  
*Galen B. Rathbun*
- 87 The male reproductive system and the phylogeny of the elephant-shrews (Macroscelidea)  
*Peter F. Woodall*
- Abstracts**
- 95 Renal structure and urine concentrating ability of Southern African elephant-shrews  
*C.T. Downs and M.R. Perrin*
- 95 A histological investigation of the structure and distribution of scent glands in four species of elephant-shrews  
*A.S. Faurie and M.R. Perrin*
- 96 Risk-sensitive foraging behaviour of the Round-eared Elephant-shrew (*Macroscelides proboscideus*)  
*M.J. Lawes and M.R. Perrin*
- 97 Mitochondrial DNA systematics of the Southern African elephant-shrews – preliminary results  
*J. Raman, M.S. Meusel and M.R. Perrin*
- 98 Effects of a diet shift on the gastrointestinal function of the Round-eared Elephant-shrew *Macroscelides proboscideus* (Macroscelidea)  
*A.C. Spinks and M.R. Perrin*

*A.C. Spinks and M.R. Perrin*

**Volume 24, Number 3, September 1994**

- 101 Distribution of the Dormouse *Muscardinus avellanarius* in Wales, on the edge of its range  
*P.W. Bright*
- 111 The winter diet and parasitic fauna of a population of Red-necked Wallabies *Macropus rufogriseus* recently introduced to Scotland  
*Alison Wier, Jayne McLeod and Colin E. Adams*
- 117 Badger *Meles meles* diet: a review of literature from the former Soviet Union  
*T.J. Roper and E. Mickevicius*
- 130 Book Review: *Rodent Pests and their Control*
- 131 Courtship behaviour in Macropodoidea (kangaroos, wallabies and rat kangaroos) – phylogenetic and ecological influences on ritualization  
*Udo Gansloßer*
- 158 Book Reviews: *The Badger; Antarctic Seals*

**Volume 24, Number 4, December 1994**

- 161 Reintroducing the European Beaver to Britain: nostalgic meddling or restoring biodiversity  
*D.W. Macdonald, F.H. Tattersall, E.D. Brown and D. Balharry*
- 201 Place-name evidence for the former distribution and status of Wolves and Beavers in Britain  
*C. Aybes and D.W. Yalden*
